San Diego County has transferred your Medi-Cal case record to our county. You will continue to get the Medi-Cal benefits listed below:

Full benefits with no share-of-cost for [REDACTED]

Benefits for your infant child may continue up to age one under Deemed eligibility.

If you have never received a Benefits Identification Card (BIC), you will soon receive one in the mail. If you already have a BIC, you should keep using that card. If you previously received a BIC but no longer have that BIC, contact your worker for a replacement. You should bring this card to your medical provider whenever you need care. If you have family members who are eligible for Medi-Cal they will also receive cards.

DO NOT THROW AWAY YOUR BIC.

Always present your BIC to your medical provider whenever you need care. This card is good as long as you are eligible for Medi-Cal.

Pregnant women with a share of cost (SOC) may be eligible to the Medi-Cal Access Program (MCAP). If you are interested, please call 1(800) 433-2611 or visit

State Hearing: If you think this action is wrong, you can ask for a hearing. This back page tells you how. Your benefits may not be changed if you ask for a hearing before this action takes place. You have only 90 days to ask for a hearing. The 90 days started the day after the county sent you this notice.

<http://www.coveredca.com> information and/or an application.

Report this coverage to your Eligibility Worker because your health insurance premium can be used to reduce your SOC.

Over the next year, you must report any life changes that affect your eligibility for Medi-Cal. You must report within 10 days after the change happened. For example, you must contact us if:

- Your income changes,
- Your household changes, such as you marry, divorce, become pregnant, or have or adopt a child; a person moves into or out of your home; or you change who will be on your tax return.
- You qualify for other health insurance.
- You move. If you move to a new county, you can report your change to your old or new county.
- Your property changes.

You may report changes to your local county office in person or by mail, fax, phone, or electronically. The contact information is on the first page of this notice.

REBATE PLUS SUPPORT GUIDE

FREQUENTLY ASKED QUESTIONS

Is providing my IRS transcript secure/safe?

Yes, an IRS tax return transcript is secure because the IRS automatically masks your most sensitive personal information on the document.

Can a dependent on my IRS transcript submit a Rebate Plus application?

No, a dependent cannot qualify for Rebate Plus. If an applicant is claimed as a dependent on someone else's tax return, or if their tax transcript lists an exemption number of zero (0), they cannot get the \$4,000 Rebate Plus amount.

What if I don't receive the SCE billing statement because I live in an apartment or community where the utilities are consolidated onto a single statement?

Ask the property manager for the 10-digit SCE service account number that begins with "80." Upload a short letter under "Other Supporting Documentation" that includes the name of the complex, explains why you do not have an individual billing statement, and provides the SCE service account number.

What is considered the date of purchase/lease?

The date of purchase or lease, as applicable, is the contract date shown on the retailer's purchase or lease contract, or the transfer date shown on the new owner's Certificate of Title for private-party sales. If the transfer date is missing from the Certificate of Title, additional documentation may be required to confirm your purchase date.

How is the rebate paid?

You will receive an email when your claim has been processed and approved. Rebates are paid by ACH transfer to a bank account.

How many times can I claim the POEV rebate?

Each individual Applicant may receive one (1) Rebate within a 24-month period and a maximum of three (3) Rebates, beginning with Applications submitted December 2, 2021, through the life of the program.

Can I sell my vehicle right after I receive the rebate payment?

No, you agree to maintain possession of the vehicle in California for a minimum of 20 consecutive months from the vehicle purchase or lease date. If leased, the lease term must be at least 20 months to be eligible for the rebate.

When can I apply for the rebate?

Customers can apply at any time, either before or after purchasing or leasing a pre-owned electric vehicle. The application reserves rebate funds and provides additional flexibility.

Deadline: Customers must submit an application within 180 days of the vehicle purchase or lease date.
